7 Case No. 19-mc-80005-SK
8

9 **ORDER DENYING MOTION TO**
10 **“REVISIT”**

11 Regarding Docket No. 31

12 Robert M. Shaw, a self-described “Interested Party,” filed a motion to “revisit.” On March
13 2, 2020, the Court granted Petitioner’s motion to quash. Almost three years later, Shaw now
14 brings this motion. As a non-party, it is not clear on what basis Shaw could move to reopen this
15 case or on what authority he relies. Under Federal Rule of Civil Procedure 60, *parties* may move
16 for relief from judgment under certain specified grounds. Fed. R. Civ. P. 60(b). But Shaw is not a
17 party. The Court therefore DENIES Shaw’s motion.

18 **IT IS SO ORDERED.**
